Best Raspberries Use - 2012

## Maison Kayser

Eric Kayser's Upper East Side bakery is part of a huge enterprise, an international chain of French bakeries. The simple raspberry tart at **Maison Kayser** is an absolute bombshell: a buttery, crisp pastry shell full of a tender, almond-kissed cake. On top, there's a blob of sweet pastry cream and as many fresh raspberries as the tart can hold. *1294 Third Avenue, 212-744-3100, [maison-kayser-usa.com](http://maison-kayser-usa.com) (10021)*
