Choose Your Own Adventure Put these U.S. travel destinations on your radar

MIAMI The James Royal Palm The hot boutique-hotel chain heads to South Beach. The big question: Will it have a tanning butler like its Manhattan outpost? (jameshotels.com)

NEW YORK CITY Maison Kayser Francophiles, take note: The famed Parisian bakery just opened its first stateside location. Baguettes and petits fours for all! (maison-kayser.com)

LOS ANGELES Ciel Spa The cloud-like hideout in the SLS Hotel just added an Eye Lom facial to its menu. It's the first West Coast spa to offer the cult treatment. (cielatsls.com)

LAS VEGAS Neon Museum More than 150 signs from the Vegas Strip, along with the preserved La Concha Motel lobby, are on view at this Sin City "cultural" spot. (neonmuseum.org)
